# SPEAKER BIO

Oleg is an experienced senior executive with successful track record of rapid business scale up, including IPO and subsequent growth of the DroneShield teams in Australia and US, and presence in over 100 countries. Through that time, he fostered organic deep technology development, through to mass deployment of the solutions around the world in the homeland security, intelligence community and military segments.

Prior to DroneShield, Oleg's career spanned across Deutsche Bank, Royal Bank of Canada, Brookfield and ABN AMRO.

Oleg has a Bachelor of Science (Mathematics) from Canterbury University and completed a Columbia University business program.
